C00118 □	R8 Political / Governme nt	Misplaced Government Priorities	Peter Obi condemns the allocation of trillions to infrastructure projects that do not directly improve development indicators, while education and human capital investment are ignored.	Align government spending with critical national needs like education and youth development. <div>What Could Go Wrong?</div> Wasted public funds on non-impactful projects while critical sectors collapse.	Excessive government expenditure on infrastructure with little to show for it, while education remains underfunded.	Reprioritize the national budget to favor long-term impact areas such as education and healthcare.
