C00119 □	R8 Political / Government	Weak Political Party Structures	Nigeria's political parties are often short-lived, personality-driven, and lack institutional strength, with leaders contributing to their deterioration instead of strengthening them.	Establish strong, law-abiding, and enduring political parties that outlive individual leaders. What Could Go Wrong? Continued political instability, weak governance, and erosion of democratic norms.	Parties are frequently fragmented, under the control of government incumbents, and lack sustainable structures.	Implement internal democracy reforms, clear party constitutions, and enforce adherence to party rules.
