C00006 [06]	M3 Communication	Community and Parental Engagement.	The project's success relies heavily on community and parental engagement, both for student enrollment and program participation.	Strong community buy-in and active parental involvement in student development. What Could Go Wrong? Lack of community support or parental disengagement.	Initial outreach efforts are underway, but community response is still unmeasured.	Develop culturally sensitive communication strategies and work closely with community leaders and influencers.
